To Whom It May Concern

I have the distinct pleasure of engaging Jessica McLeod-Yu in the production of artwork and animation for the charity, Amputees NSW (the Amputee Association of NSW Inc.).

It is through that great work and interaction that I can with utmost confidence recommend Jessica on her work, unique gifts and professionalism.

Jessica worked with Amputees NSW to produce a remarkably representative piece based on a true story within our community. The natural talent to capture the essence and emotion of such a circumstance is a fine example of this young artists ability.

So impressed were we with Jessica's work that we will coming back for more than a simple extra piece but look to build a comprehensive representation in her unique style.

It was an absolute joy to work with Jessica, she is patient, mindful, an excellent communicator and delivers quality.

I look forward to working with Jessica in the immediate future and sharing her beautiful work with other organisations and the greater community.

Yours Sincerely

Darrel Sparke
President – Amputees NSW
